Question	Answer Choices	Points
Does the proposed practice(s) treat or improve the applicant's property that was burnt or destroyed? If the applicant is within the wildfire boundary, but property is not burnt or destroyed, the application should not be funded in this fund pool, but application will be considered for general EQIP. Most conservation practices within this fund pool should be scheduled for installation within 12 months. Only Practice Standard (PS) 528 deferred grazing should exceed 12- month planning installation.	YES	200
